Karbid-Fräskopf 3/8" UNF Ø 30 × 15 mm

Spring washer Ø10mm

Carbide cutting head 40 × 20mm

Carbide cutting head 3/8" UNF Ø 30 × 15 mm

Mounting of wire

040140 CLAMPING SET FOR WIRE

1

2

CLAMPING PIECE

3

SCREW CENTER
M5 × 5

The grub screw no. 3 is fastened from the back side of the handle. Tighten the screw so it barely touches the wire. The wire must still be moveable in both directions.

Place the round metal piece no. 2 inside the hole. Insert the grub screw no. 1, tighten the wire and tighten the grub screw no. 1 firmly.
