

DC MAXI FLEX

Dancutter's Most Powerful Cutter

DC MAXI FLEX is Dancutter's most powerful cutter. It has an extremely powerful grinder which makes the cutter both fast and efficient. The DC MAXI FLEX is flexible and can go through several 45° bends in a 150 mm / 6" pipe and works effortlessly whether the pipe is straight or has bends.

If you are mostly working in larger pipes, DC MAXI FLEX is your right choice for reopening laterals or removing hard deposits like concrete.

When you are cutting, milling, and grinding in pipes from 150–400 mm / 6"-16", DC MAXI FLEX is a powerful solution whether the pipe is made of PVC, concrete, cast iron, or steel and it also handles 45° bends in 200 mm lined pipes with ease.

We also offer an extensive range of cutting heads for various purposes.
